

### Waiver of Age Eligibility Requirement for 2022-2023 School Year

According to Michigan Law, if a child attending **Brighton Area Schools** is not five years of age on September 1st but will be five years of age not later than December 1st, the parent or legal guardian of that child may enroll the child in a kindergarten program for the current school year.

The school district may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in a kindergarten program due to the child's age or other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in a kindergarten program if the student is five years of age not later than December 1st.
