

## Michigan School Meals 2023-24

Brighton Area Schools will participate in the **Michigan School Meals Program** for the 2023-24 school year. **Michigan School Meals** is a state-funded program that provides reimbursement for meals, so all students receive the meals at no cost.

To participate, students just need to show up and take a qualified meal. A school lunch consists of five components: protein, grain, fruit, vegetable and fluid milk. For a lunch to qualify ***it must consist of a minimum of three of the five components and one of those must be a fruit or vegetable.*** Incomplete meals and individual meal components will be charged at a la carte pricing.

Families are strongly encouraged to complete the Application for School Meals. The number of eligible students helps secure additional funding for the District including Title I funding.

Students and families may qualify for other District program fee reductions based on their eligibility for free or reduced-price meals including SAT testing, pay to participate, and more.
