

Hello parents and guardians...

July, 2022

Just a quick summer update with a few items for you to start your planning for coming to BHS in September!

Each year, we send all parents/guardians a Registration Packet for you to fill out online in early August. We are working on that packet, so look for it the first week of August, from my desk. This packet includes everything you need to complete to have your student ready to attend school in September (parking pass, picture orders, schedules, etc). It is mandatory you complete this Registration packet to come to BHS.

The mandatory Registration Dates this year are as follows:

Seniors – August 29: 8 – 11 am

Juniors – August 29: 12 noon - 3 pm

Sophomores – August 30: 8 – 11 am

Freshman – August 30: 12 noon - 4 pm

The Freshman Orientation will include our annual Club Day. We moved Club Day to Registration so freshman students and parents can walk through the auxiliary gym and see all the athletics and clubs that are open to all freshman so they can get involved in the extracurricular stuff at BHS ASAP! This involvement gets your freshman connected, meeting others and enjoying the awesome extra stuff that BHS has to offer for ALL students.

Athletic coaches know that Registration is mandatory so they will be allowing athletes who are practicing to attend. Only athletes who have games/matches that day can attend on other days. Our athletic director will notify me of those conflicts and coaches will be in contact with athletes.

If your family is out of town on both of those days, your student can come to the office on August 31 or Sept 1 to pick up materials. If you are gone that entire week, your student will have to report to one of our two main offices on the morning of September 6th to receive their schedule. If you cannot attend you must still do the online Registration packet and pay for any items online to reserve them.

The first day of school is Tuesday, September 6th.

Freshman attend ALL day, 7:30 to 2:20 on September 6th. We use this day to orient our freshman to BHS! They have the building all to themselves in the morning to get comfortable!

ALL other upperclassmen start school on September 6th at 12 noon, till 2:20. They have a shortened schedule on this day only.

ALL students attend all day, starting September 7th, 7:30 to 2:20.

It is important to note that we have two new principals this year at BHS!

Next year, this is how grade levels are aligned and who your contacts are for counseling and administration and their email addresses, in case you need to contact them for assistance with your student!

I cannot tell you how excited I am about coming back to school with a full, regular year for ALL of next year. I have high expectations for myself, my staff and our students and will be communicating about those goals in August! For now, enjoy the summer and I will be in touch!

Sincerely,
