## *Back - To - School Registration*

Dear Parents and Guardians,

The staff of Brighton High School has made final arrangements for our **online, Back-to-School registration** which begins August 11, 2023. Please review the materials carefully in preparation for your child's registration. This carefully prepared newsletter is designed to inform and assist you with our required online process. Your student's online registration must be completed **BEFORE** their in-person registration day.

**Scheduling Conflicts:** If a student is **missing** a class on their schedule, they may use their registration time to meet with a counselor. If they want a class change, the student **must** complete the 2023 - 2024 Schedule Adjustments Form, located on the BHS website - For Students, Counseling and Guidance tab, Grade Level Documents & Links, Semester 1 - Scheduling, News & Information. A counselor will then contact the student. The form will be available on the Counseling website on August 28th.
