WHAT IS CAMP BRIGHT IDEAS?

It's a One Week Summer Technology Camp for girls entering grades 5-8 in the fall of 2023.

Campers will learn exciting things like video game design, software development, robotics, and architecture.

During the week, successful women in technology will interact with campers to create a fun "career-like" experience.

Parents/Guardians will be invited to view student projects on Friday afternoon and to celebrate!

Lunch will be provided each day!

Cost is FREE to Attend!

Camp Costs are completely covered by SIEMENS.
