

SWE-Detroit High School Events!

Join us for the exciting Fall 2021 High School **virtual** events below! Please email Haley Antoine (haleyantoine@gmail.com), SWE-Detroit High School Outreach Chair, with any questions!

- **SWE-D's Virtual High School Mentorship Program** (October 2021 – May 2022) – For 10th-12th grade Michigan residents ONLY. Are you interested in getting advice about majoring in and having a career in STEM? [Sign-up for SWE Detroit's High School Mentorship Program](#)! You will meet at least 5 times virtually with a STEM professional from companies like Toyota, Ford, General Motors, Ball Aerospace, and participate in virtual group events! (You do not have to sign-up for the individual events below, you will be automatically sent the meeting invites for each!)
- **Career Paths to Leadership** (10/26, 8-9:30pm EST) – Join management and executive leadership from [Toyota](#), [Medtronic](#), [ZF](#), [Martinrea International](#), and [Altair](#) to learn about how these outstanding women got to where they are today! (Virtual)
 - **Registration:** <https://forms.gle/SVHmbdD32hgZTKxU8>
- **Careers in Technology and Automotive** (11/4, 4-5pm EST) – Join engineers from [Bosch](#), [Toyota](#), [Ball Aerospace](#), [Ford](#), and [General Motors](#) to learn about their awesome careers! (Virtual)
 - **Registration:** <https://forms.gle/CXEcMhP7mj535XEs6>
- **Navigating a Male-Dominated STEM World Panel** (12/1, 8-9pm EST) – Join a panel of inspiring women in engineering who are breaking the glass ceiling everyday! (Virtual)
 - **Registration:** <https://forms.gle/e5wniX8kKCu6dRTeA>
- **Engineer your own Holiday Greeting Cards** (12/6, 7:30-9pm EST) – Learn about the engineering design process and circuits while creating your own holiday greeting cards! (Registration will close 11/26 to allow for enough time for supplies to ship.) (Virtual)
 - **Registration:** <https://forms.gle/FBHxr1Bb1c91wmVA6>
