

Company Summary:

NoIR stands as a leader in the protective eyewear industry. We are focused on developing, producing and marketing specialized safety glasses for lasers and non-coherent light sources, and, with a secondary product line, sunglasses and visual aids for the low vision population.

NoIR is a family-owned company of 50 people, led by a strong and compassionate management team and offering a casual, friendly workplace. We have been growing for over 45 years by staying focused on our customers, by striving to produce and deliver the highest quality eyewear possible, and by always recognizing that we are only as capable as the individual members of our team.

Job Description:

We are looking for Assembly Workers for the swing shift position (M-F, 2pm-10pm). We have been in business for nearly 30 years, and continue to grow, with a new facility and positive atmosphere. The job entails assembly of laser protective eyewear and sunglasses. No experience required, though previous manufacturing experience a plus. The position is full time with some overtime. Eligible for company benefits after 60 days.

Requirements:

Detail oriented. Ability to follow directions and work instructions.

Ability to walk, Bend, reach and stand for extended periods of time,

Work with other team members and team leads on continuous improvement processes.

Ability to lift 15 lbs.
