

Brighton High School

Parking Registration Rules and Regulations

By filling out and completing the parking application and returning it to BHS, we (parent and student), are stating that you have read the rules and regulations covering student driving/parking and promise to comply to the regulations as stated. You also certify that the student is properly licensed by the State of Michigan and is willing to comply with school authorities concerning driving/parking at Brighton High School.

Procedures to Register:

- Students with outstanding fines will not be allowed to register until fines are paid in full.
- Students must present their vehicle registration and driver's license at the time of registration.
- The parking fee is \$60.00.
- Students cannot purchase a decal/permit with the hope that they will get a car in the future.
- Students must not "pass along" their decal to anyone else.
- Proper registration steps must be followed in order for the school and law enforcement personnel to keep proper records.
- If a student needs to drive more than one car during the school year, student must also register the other vehicle. There is no sharing of decal/permits from one car to another. You will receive a decal for each vehicle registered.
- If there is more than one high school driver in the family and each are driving a separate vehicle each student must register separately. And each student will be responsible for payment of \$60.00.
- You cannot purchase a decal for another student for parking privileges to park at BHS. These permit/decals are non-transferable and there are no refunds once purchased. Any misrepresentation will result in parking privilege being revoked.

Student: Read the paragraph below and sign in the appropriate place.
Read rules and regulations.

In connection with my request to park either my automobile or any automobile I am permitted to drive by the owner thereof on school premises, I do agree and consent to the unlocking, opening and inspection of the subject automobile and of all the portions thereof, including the trunk and engine area while on school premises. I do further agree and consent to the opening, examination and inspections of all items located in any such automobile. Such examination of the automobile or of its contents may be undertaken by the principal or an assistant principal of this school building. I agree to make any and all lock keys available to the principal or assistant principal for this purpose. I understand that the permission herewith granted shall last as long as I am a student at Brighton High School and have permission to park any such automobile on school premises.

The number of Brighton High School students driving has dramatically increased over the past few years. Because there is limited parking, we need to request the understanding and cooperation of student drivers and their parent/guardians in the implementation and maintenance of the following motor vehicle regulations.

1. All vehicles that are driven to school must be registered
2. All motor vehicles are to be kept locked at all times to help control-unauthorized use of theft of items from the car. Students are not to keep any materials in their car that are prohibited under the BHS student handbook.
3. A \$60.00 parking fee has been authorized for this privilege. Students must register all family vehicles that may be driven to school on any given day. It is the student's responsibility to be sure the hanging permit is in the vehicle they drive to school. A valid Michigan Drivers License must be presented before the vehicle can be registered and driven to Brighton High School.
4. Students driving a motor vehicle must **purchase, secure and display** parking permit on the vehicle so that it is visible. (Replacement of lost permits will be subject to a \$5.00 replacement fee.) Failure to purchase, secure and display permit will result in campus security in issuing a civil citation. **1st Offense Warning; 2nd Offense \$5.00; 3rd Offense and each subsequent offense; \$10.00 and I may have loss of driving privileges.**
5. Motor vehicles are to be parked in the student lot prior to the beginning of the school day and not used again without proper authorization from an administrator until the termination of the school day. BHS has a **CLOSED CAMPUS POLICY**. Parking privileges may be lost if a student violates the closed-campus policy.
6. **Students are not to park in STAFF, TEACHER or VISITORS areas. Driving privileges may be lost if any student violates this rule. BHS civil citations will be issued for this infraction. Fees to be paid to BHS.**
7. Students can purchase parking permits on their assigned registration date in August.. Payment must be made at the time of registration. Students are to retain their assigned lot for the entire school year.
8. The number of permits is based upon the number of spaces available. Priority will be based on year of graduation.
9. By providing the school district with this application, the student and parent/guardian agree that the vehicles described will remain properly licensed and insured so as to operate under the laws of the State of Michigan.
10. Student must follow the directive of our School Resource Officer and campus security. Reckless and/or careless driving, or other improper driving, will not be tolerated. Driving privileges will be withdrawn for violations and the Brighton City Police Department may issue civil citations for all infractions. Fees payable to City of Brighton.
11. Students who drive to school are required to park in student designated parking lot. Improperly parked vehicles will be subject to civil citation from campus security and or ticketing by the Brighton City Police Department.
