Brighton Area Schools 125 S. Church Street Brighton, MI 48116 Attn: Peggy Moyer

Asst. Supt. Human Resources

Dear Peggy:

This letter is to formalize our phone conversation earlier today, May 11, 2009. You informed me that my years of service to Brighton Area Schools would be rounded up to ten years, enabling me to be eligible for the longevity terminal payment as per Article 7- I in our contract. Contingent on my eligibility to receive that package, I am advising you that my intention is to retire at the end of this school year (2008-2009).

Thank you for your help in resolving this matter.

Respectfully,

Mary Jo Germain

Staff Recall, Certified

DATE:

May 21, 2009

Enclosed is the recommendation to recall thirty-two teachers. The district was able to place these teachers in full or part time positions for a total of 26.6 FTEs. As noted in Mrs. Moyer's memorandum, the district has reduced certified positions by 30.75 FTEs and will have twenty-nine teachers on layoff.

Motion Moved by: Supported by:

BEA Recalls from Layoff Status

Date:

May 19, 2009

Attached is the list of teachers I am recommending we recall back from layoff. As of our May 12, 2009 staffing we were able to place 32 of our laid off teachers into either full time or part time status equaling 26.6 FTEs. This still leaves 29 teachers (22.75 FTEs) on layoff for the 2009-2010 school year.

With the current retirements, resignations and layoffs the 2009-2010 school year will have 30.75 fewer FTEs than the 2008-2009 school year.

Finance Committee Meeting Board of Education BECC Special Education Office 6:30 pm Thursday, May 7, 2009

I. Call to Order: 6:35 pm by Cheryl Leach

Present:

Board Committee Members: Bill Anderson, Joe Carney and Cheryl Leach

District Employees: Bonnie Riutta, Arnella Park, Ellen Lafferty and Maria Bolen, Chris Stone and Baiba Jensen (arrived at 7pm)

Others: Jim Totten

II. Call to the public:

Arnella Park spoke regarding the VALIC 403B annuity. Maria Bolen suggested that Barry Goode contact the finance department to discuss the annuity. Arnella Park also brought up the contract language that talks about budget development. Apparently there is some confusion between what the expectations of the union were and what is transpiring. Maria will speak with Barry to clarify.

- III. Approval of minutes: March 30, 2009 Moved by Joe Carney and supported by Bill Anderson. The motion was approved by unanimous vote.
- IV. Approval of agenda: March 30, 2009 Moved by Bill Anderson and Joe Carney. The motion was approved by unanimous vote.

V. Agenda Items

- a. Bonnie Riutta discussed the curriculum review cycle with the committee. A four-year plan was presented to plan for curriculum activity in the future. The plan met with approval by the committee.
- b. Maria Bolen presented the draft April 2009 financial statements. Maria noted that the big change from last month was that the grant dollars have now been requested and will continue to be requested on a monthly basis. Bonnie Riutta mentioned that we haven't paid the Aramark bill for several months due to staffing issues.
- c. Maria Bolen presented the updated check register and reported that the old Wayne RESA system will not support the old check register system much longer. The committee agreed to bring the check register changes to the entire board and will move to the new system upon board approval.

- d. Bonnie Riutta spoke to the committee regarding the moves in the district. She mentioned that about 2/3rd of the district is moving. Bonnie reviewed the moving timeline with the committee and also stated that the moves will be concluded by August 14th. Bonnie proposed that we hire a summer project manager to coordinate the moves and would like to offer the temporary position to Jack Yates. Jack has had a number of years of experience in the district and has been through several moves. Bonnie proposed a \$2,500 stipend for coordinating the move. Cheryl Leach asked if there was contract language that would require a posting for the position. Baiba Jensen, who is a BASAA member, said that she didn't think there was a conflict. It was determined that this item will be placed on the May 26th agenda. It was also determined that the \$200 moving stipend for teachers will not be a board action item but will be a reimbursement item coming to the board when requested by each individual teacher.
- e. Maria Bolen presented the options for resolving the Miller playground equipment issue. The playground equipment was never approved for purchase by the board of education. The debt was incurred directly with Miller PTO parents. Cheryl Leach mentioned that the equipment is installed on our property and we could use the equipment for Tot Spot and suggested that we pay for the equipment with sinking fund. Bonnie mentioned that the PAC parents expressed dissatisfaction that the district was considering purchasing the equipment out of the sinking fund. It was determined that Maria Bolen would go back and try to re-negotiate a 20% discount with both companies. This item will be brought to the board of education as an action item on the May 26th agenda if a 20% discount can be secured.
- f. Maria Bolen presented the 2009-2010 budget projections and the reductions that have been enacted to date. There is still a \$4.2 million dollar operating deficit going into next year. Cheryl Leach stated that it was time to conduct a budget meeting and go line item by line item through the budget looking for reductions to balance the budget. Arnella Park asked if any superintendent candidates had viable ideas for budget reductions. It was determined that we will attempt to schedule a budget meeting on June 1st at 5pm in the boardroom. This will be brought to the board meeting on May 11th.
- g. Cheryl Leach noted that the chairpersons from the three board committees would meet to decide the superintendent's compensation package. Bonnie passed out comparable district data for the superintendent's contracts. Cheryl Leach suggested a range of \$125,000 to \$140,000 for the incoming superintendent candidate.

Next meeting, June 1, 2009 at 5pm in the boardroom.

Motion made by Joe Carney, supported by Cheryl Leach to adjourn. Meeting adjourned at 8:21.
