## COLLEGE VISITATION FORM

One of the most important decisions many students will make during their years in high school will be their choice of college. This selection has great implications on education and career goals, as well as, on family financial status. College visitations are a vital component of the college selection process. Brighton High School encourages students and parents to make college visits. Choosing a college is a big investment and we encourage students to investigate the colleges thoroughly by stepping foot on campus, sitting in on a class, touring the facilities, and meeting with college representatives and students.

**Directions to receive a SCHOOL RELATED ABSENCE for a college visit:**

1. Parents must call the attendance line 810-299-4118 the day of the visit or prior to explain the absence. When this form is turned in, the absence becomes school related.
2. Fill out this form and take it with you to the college.
3. Have parent or legal guardian sign this form.
4. Have college representative sign this form.
5. Student returns this form to the Attendance Office.
