

Brighton Area Schools Athletic Facilities - Resident Use Opportunities

B.H.S. Indoor Track Use

1. The indoor track is open for public use by residents during non-school hours Monday through Friday as long as it is not in use by teams for practices and/or there are no athletic events occurring in the fieldhouse. Typically, the best times for public use are after 5:00pm on non-event days. To check the athletic contest schedule, go to GoDogs.org.
2. On days school is closed for both holidays and/or inclement weather, the facility is closed.
3. NO RUNNING WHILE ATHLETIC EVENTS ARE OCCURRING.
4. Please use appropriate lanes for running and/or walking.
5. Only walk or run in a counterclockwise direction.
6. Public use of the facility is at your own risk.

9 LAPS = 1 MILE

B.H.S. Outdoor Track Use

1. The outdoor track at B.H.S. is open for public use by residents on a seasonal basis (closed in winter).
2. Public users should enter the facility to the right of the main ticket booths using the small gate designated for people only.
3. Public use is allowed as long as the track is not in use by classes, teams practicing, or events occurring.
4. Public use of the facility is at your own risk.

B.H.S. Strength and Conditioning Center Use

1. The strength and conditioning center is open for public use by residents during the week Monday through Thursday in the summer from 3:45pm - 6:00pm, and Monday through Friday during the school year from 7:00pm - 9:15pm when school is in session.
2. On days school is closed for holidays or inclement weather, the facility is closed.
3. Public use of the facility is at your own risk.

B.H.S Aquatics Center Use

1. The swimming pool at B.H.S. is open for public use by residents on a scheduled basis both during and after school for open swim (no fee), classes, lessons and other aquatic fee based programming.
2. To see scheduled activities, visit the Brighton Community Education tab on the BAS website and click aquatics or call the hotline at 810-299-4147.
3. Public use of facility is at your own risk.
