OUR MISSION

The Bridge Alternative High School offers a quality educational program for young people ages 14-19 who are seeking an alternative school setting with additional support to achieve success.

The mission of The Bridge is to create a safe, caring, and supportive learning environment with an emphasis on inspiring students to achieve social, emotional, and intellectual success for post-secondary pursuits and professional work opportunities.

OUR STUDENTS

"The teachers really care about the students. It's like a family."

"The staff and the student body are very positive and everyone tries to help each other."

"The teachers are so caring and everyone is so accepting. The Bridge helped me blossom into the person I am today."

"The Bridge has given me the greatest gift any school could give me: the satisfaction of graduating on time!"

OUR PROGRAMS

Full-Time Day Program

The Full-Time Day Program for Students ages 14-19, offers wrap-around services to ensure student success. The features of this program include the following:

- Full-time, from 7:30 to 2:30 Monday—Thursday to ensure original or near original track for graduation
- Trimester schedule
- Caring, dedicated, highly qualified teachers
- Positive Behavior Intervention Support
- Small class sizes
- Differentiated instruction
- On staff social worker
- Incentives for attendance and academic achievement
- Credit recovery through volunteer and work credit programs
- Part-time option for qualifying seniors in their last trimester
- Sports participation through Brighton High School
- Lunch/breakfast program with free and reduced for qualifying students
- Technology integration in the curriculum
- Vocational opportunities
- Bus transportation available

OUR PROGRAMS

Online Program

- Designed as high school continuation and/or credit recovery.
- Offered to students with junior or senior status for 15/16 and opening it up to grades 9-12 starting fall 2016.
- Requirements aligned to Michigan Merit Curriculum designed to help students become college and/or work ready upon graduation.
- On-site academic support.
- Regular meetings with teacher to ensure that student is on track.

Friday Programs

Our Friday programs will help students in a variety of ways. Students will have the opportunity to participate in:

- Online PLATO classes - credit recovery
- One-on-one academic tutoring
- Career coaching for after graduation
- Student Assistance Program groups
- Vocational Apprenticeship Opportunities
- SAT Preparation
- Enrichment activities in math, science, social studies, English, music and health.
