

ParentConnect Guide

You can access your student's school information using the ParentPortal in MiStar referred to as **ParentConnect**. This service requires a login PIN and password. If you do not have login information for ParentConnect, please request the information by sending an email to:

pc@brightonk12.com

Include in the email your student's full name, their grade level, and school they attend. The email address you use to send this request will be the email associated with your ParentConnect account.

The web address for the ParentConnect login page can be found on your child's school website or by using the following web address and clicking on ParentPortal:

<https://sisweb.resa.net/MISTAR/Brighton/>

The screenshot shows the MISTAR ParentPortal login interface. On the left, there is a 'ParentPortal Login' section with fields for 'PIN' and 'Password', a 'Log In' button, and a link for 'Need Your Login Information?'. Below this is a 'District Links' section with a link to 'ParentPortal FAQ'. The main content area is titled 'Brighton Area Schools' and features a 'Welcome to Brighton Parent Portal' message. It includes a logo for 'BAS Brighton Area Schools' with the tagline 'Learning for Life'. The welcome text states: 'Welcome to the Brighton Schools Parent Portal application. ParentPortal allows you to view your student's information and communicate with teachers and staff through e-mail links provided in the application.' It also provides contact information: 'If you have difficulty with your account, we will be happy to assist you. Please send a detailed message to pc@brightonk12.com describing the issue you are having with your account.'

Once you have your ParentConnect PIN and password, you will now have access to the following features of ParentConnect:

My Account – Parents can use this link to update their e-mail address or to change their password.

E-mail Notifications – Choose to receive e-mail notifications regarding your student's classroom assignments, student attendance, and/or cafeteria balance/activity.
